Course fees normally increase by approximately the rate of inflation each year.

Missed Weekend Sessions

For any day of training missed, you will be expected to arrange a 1 hour tutorial with a course tutor at a cost of £65. This could be shared with other students who may have also missed the same session, to a maximum of 3 students.

Therapist Fees

Over each year you are required to attend a minimum of 40 sessions with a TA Psychotherapist (CTA , PTSTA , TTA , STA or TSTA) or UKCP registered psychotherapist with knowledge of TA. Costs can vary between approximately £35 for group sessions to between £45 to £65 for individual sessions. Therapists may negotiate on the price if you are a student. Some of the therapy hours (max 6 p/a) may be accrued by attending a group therapy marathon which the Link Centre aims to hold once a year or you can attend elsewhere.

Supervision

It is a requirement to have supervision at a ratio of 1:6 for the Counselling Diploma. You are likely to receive free Supervision in your placement and this can count for a maximum of 50% of the Supervision for the counselling Diploma. 50% must be with a TA Supervisor (PTSTA or TSTA).

For the CTA exam 75 hours of Supervision have to be with a TA Supervisor (PTSTA/STA/TSTA) at a ratio of 1:5. 40 hours of this must be with your Principal Supervisor who will support you through your exam process.

The cost of supervision is likely to be £50- £70 per session. If you are in a small group (of 3) you can potentially count three hours supervision for this cost. This is the most cost effective way of doing it but you also need to consider your supervision needs.
